Subheading Text with Instructions

This is where you would put instructions or notes. For example, "The goal with these Do pages is to help you find meaningful and creative activities that will bless your life and enrich your MTC experience tremendously. This is not a quiz so there is nothing you need to submit."

Quotes & Captions

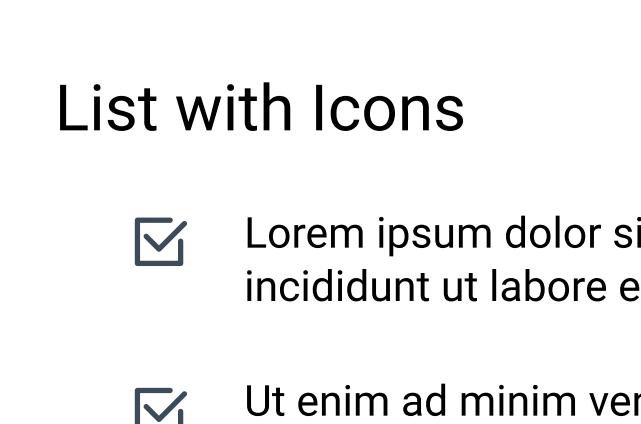

"I am so thoroughly convinced that if we don't set goals in our life and learn how to master the techniques of living to reach our goals, we can reach a ripe old age and look back on our life only to see that we reached but a small part of our full potential. When one learns to master the principles of setting a goal, he will then be able to make a great difference in the results he attains in this life."

— President M. Russell Ballard (Talk given to Salt Lake Area Young Adults, Oct. 18, 1981)
