

What is a Workshop?

Workshops Information

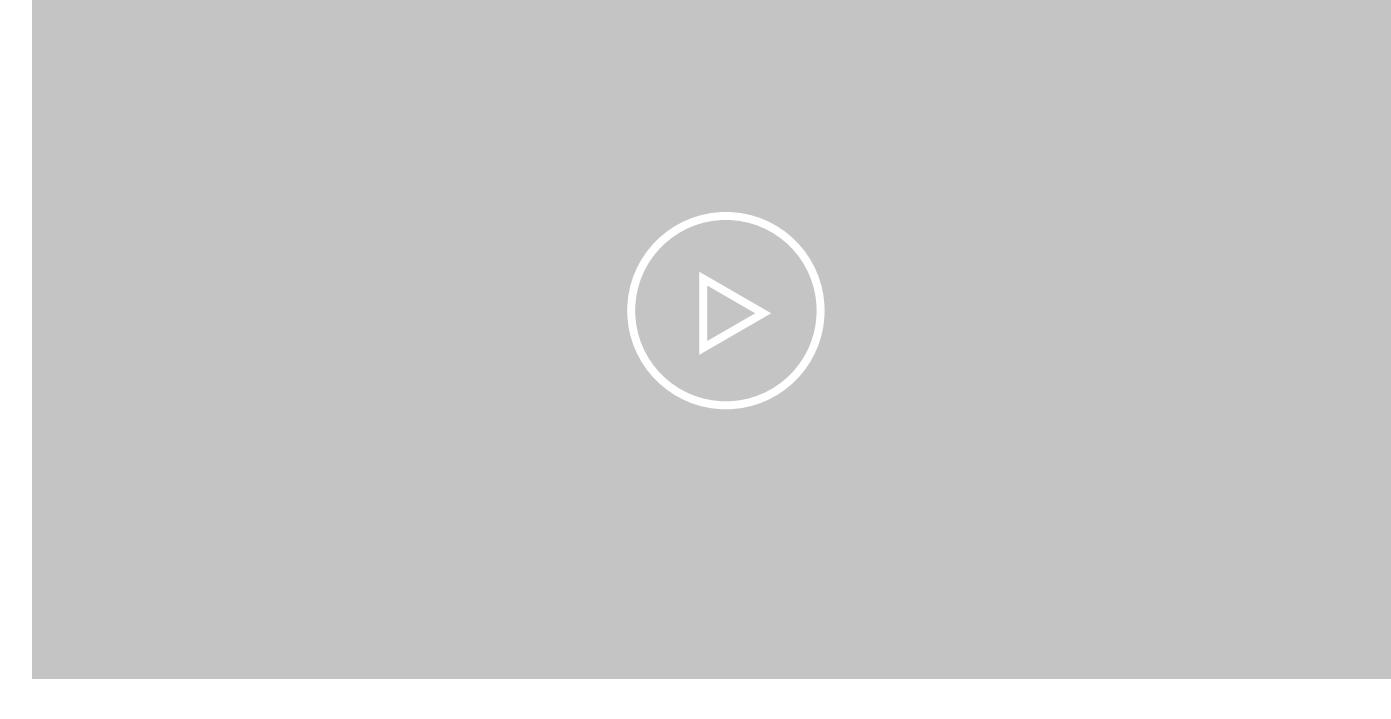

Workshops are opportunities to meet with large groups of other missionaries to learn about a particular subject together. The MTC offers a variety of workshops that are designed to supplement your classroom experience. These are live and interactive video-conference online meetings where you are connecting directly with the workshop trainer and possibly hundreds of other missionaries just like you!

Get Ready, Get Set.... PLAN!

Get Ready to keep track of when you sign up for workshops for the Online MTC stay. Locate a calendar or planner that you are going to look at often. (Examples: Google calendar, a paper planner, etc.) You will use this to keep track of your appointments you will make outside of class time. There will be many, so it's wise to keep them all in one place!

How to Sign Up for the TRC

Watch the video tutorial below or click here to view: thisisthelink.com

When should I schedule my appointments?

The schedule breakdown is determined by whether you are a 3, 6, or 9 week language. The charts below note the week that you must attend each workshop. These workshops are mandatory, so please schedule your weeks carefully to allow you to attend. All workshops should occur outside of class time (unless specifically written into your schedule).

Special Circumstances Frequently Asked Questions

Q: What if I need interpretation since the workshops are in English?

A: Any missionaries needing interpretation will be sent an email with links to prerecorded workshops offered in different languages.

Q: What if the only times the workshops are offered are unrealistic because of my time zone?

A: Any missionaries facing this challenge will be sent an email with links to prerecorded workshops.
